Education is a social process . . . Education is growth . . . Education is no preparation for life; education is life itself.

JOHN DEWEY

Alone, without any reference to his neighbors,
without any interference, the artist can fashion a
beautiful thing; and if he does not do it solely for
his own pleasure, he is not an artist at all.

OSCAR WILDE

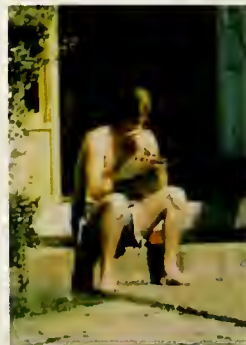

The true focus of the liberal arts education is, in fact, not limited to "a way out"; rather, it provides "the way in" - to a more meaningful and richer life, one that becomes the directing influence within us as we enter into other realms of existence.

Björklunden

The estate known as "Björklunden" was a summer home and sanctuary for the late Donald and Winifred Boynton of Highland Park, IL., and Baileys Harbor, WI.

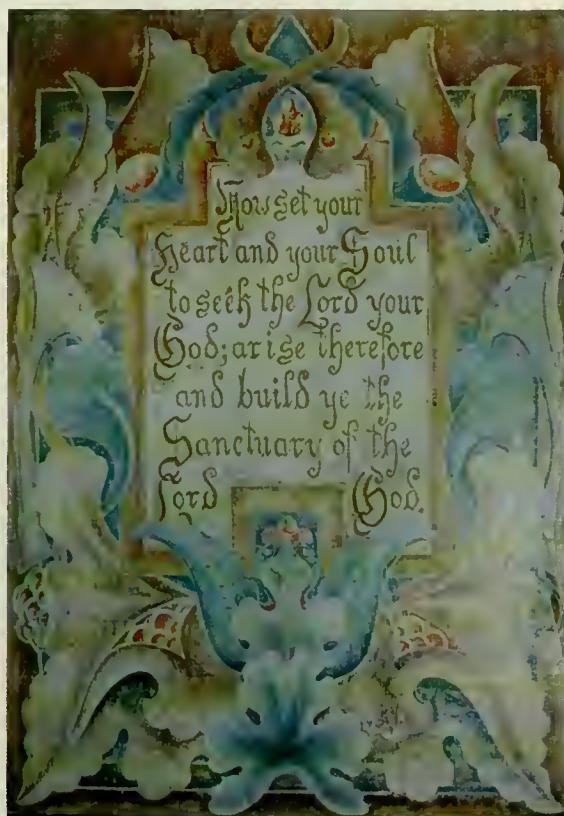

The estate, whose complete name is "Björklunden Vid Slön" (Birch Forest by the Water), includes the Boynton's residence, the family Chapel, a workshop, a studio and a caretaker's home. The buildings are situated on 325 acres of wooded, undeveloped land fronting Lake Michigan.

Bjorklunden was willed to Lawrence University in 1962. The University assumed the responsibility and privilege of caring for the buildings and property after the death of Winifred Boynton in May, 1974.

The following tribute to the Boynton's is inscribed in runic script on a stone taken from the shore of Lake Michigan near the residence.

In grateful recognition of Winifred and Donald Boynton, who, through their loving labor, demonstrated their appreciation of the beauty and peace of God's Creation.

A liberal education is the education which gives a man a clear, conscious view of his own opinions and judgements, a truth in developing them, an eloquence in expressing them, and a force in urging them. It teaches him to see things as they are, to go right to the point, to disentangle a skein of thought, to detect what is sophistical, and to discard what is irrelevant

He is at home in any society, he has common ground with every class; he knows when to speak and when to be silent.

JOHN HENRY NEWMAN

A high-contrast, black and white photograph. A person is seen from behind, walking away from the viewer down a path. The person is wearing a dark, long-sleeved garment and is carrying two bags: one in their right hand and one in their left. The path is made of light-colored, rectangular stones or bricks, creating a strong vertical line that leads the eye towards the person. The background is a bright, featureless white, suggesting a very bright sky or a reflective surface. The overall mood is contemplative and minimalist.

OFF CAMPUS PROGRAMS

The London study center was established in 1970 for the purpose of allowing each student to spend at least one term in a setting other than the Lawrence campus. Courses offered incorporate topics relevant to British culture and history by utilizing the unique setting and by encouraging field trips and museum study. Students may also avail themselves to the many theatrical, musical, literary, culinary and cultural opportunities. London offers a fine base for short weekend trips to the English countryside and for longer trips during mid-term and between term breaks to Ireland, Scotland and the Continent.

STUDY
IN
SPAIN

MEXICAN PROGRAM

The Mexican program was sponsored and supervised by Lawrence and the Spanish Department. The group that traveled to Mexico in the fall of 1978 consisted of 15 students and Mr. Martinez. Classes were offered in the following areas: anthropology, sociology, history, art, and literature. All classes were conducted in Spanish. The emphasis was on education through experience, so students were encouraged to travel. It is the general consensus of the group that studying in another country is the best way to learn, not only another language, but about people and culture in general.

MARINE TERM

The Lawrence Marine Term consists of two weeks spent at Forfar Field Station, Andros Island, Bahamas. Andros Island, approximately 115 by 40 miles, is the largest of the Bahamian Islands and offers a wide variety of topics of biological and geological interest. The third largest barrier reef in the world lies just off the east coast and provides an outdoor laboratory in which fish, coral, and other marine life can be studied in their natural habitat. The oolite sholas and high energy beach off the north coast, as well as the inland and oceanic blue holes, allow one to investigate the geological origins and status of the island.

SLAVIC TRIP

Every other year, the Slavic Department offers an "adventure" to Eastern Europe and Russia. Students camp and travel in VW vans, experiencing the culture and people behind the "Iron curtain."

The trip was a real learning experience. We learned about rain and camping, how Finns act drunk, dysentary, explored beautiful churches, ancient Kremlins. Russian banjas and of course — squatties! All of us have Lenin's figure firmly implanted in our memory, along with our two lovely and charming guides, Nina and Masha. Champagne now has a new meaning for us after the Kiev party thrown by our "fearless leader." We remember Poland for the high living we had with black market money. Zakopane is synonymous with parking tickets. Prague is now associated with Czech beer, Istanbul with the bizarre hustlers, and Yugoslavia with Slivovitz and beaches. But the best impression of the 1977 Slavic Trip we came home with is FUN!

GERMAN SEMINAR
PARIS SEMINAR

The Paris Seminar is a unique off-campus program designed primarily for the non-French major. Students live in the city of Tours with a French family for the first ten weeks of the program and attend classes in French at the Institut de Tourraine. The more personal aspects of French culture are experienced through family life. Whether through sight-seeing outings, shopping excursions, meeting new people, perfecting one's French, or savoring the gastronomical wonders produced by Madame at mealtime, the doors opened by the family are many and worthwhile. The second part of the program is spent in "Gay Paris". Students undergo a mild culture shock adjusting to the feel of the city. Hotel rooms become home, and classes are attended at the Alliance Francaise.

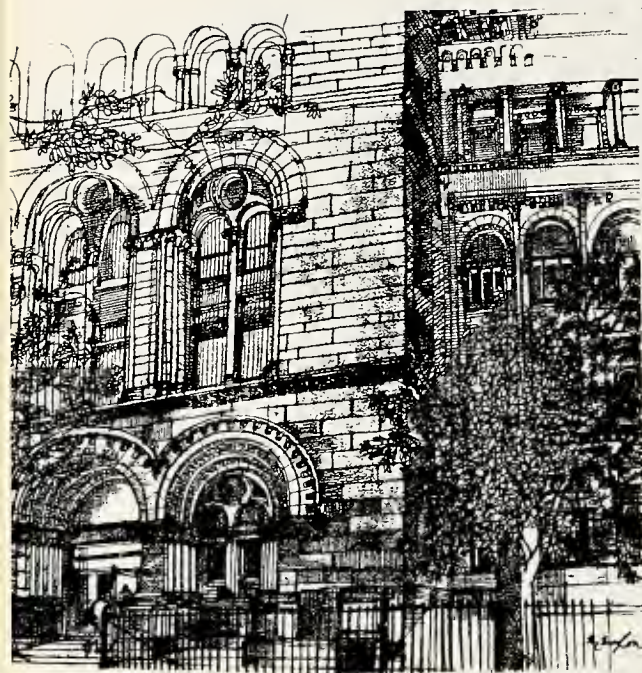

Paris offers an endless variety of entertainment and experience. With a "carte d'orange" in hand, the city is literally yours. Museums, theatre, opera, ballet, restaurants, concerts, movies, and an occasional "manifestation" abound all over the city. Whether the right bank or the left bank, there is always a garden to walk through, a building to examine, an aroma to be investigated, history to be absorbed. The Paris Seminar is unique in that it encourages the student not to "let school interfere with his or her education," for experiencing the French culture, past and present, is an education in itself.

UNIVERSITY HIGHLIGHTS

Career Day

Balloons, belly dancing and door prizes highlighted LU's Career Exploration Day. The morning session found Main Hall the lively site of discussion groups in finance and banking, business and industry, law, music and the performing arts, insurance and marketing, education, the applied and research sciences, the public sector, music and the arts industry, the helping services, and communication. Many of those leading the discussions were alumni of Lawrence University or Milwaukee-Downer College. The afternoon was full of one-to-one interviews between professionals and students.

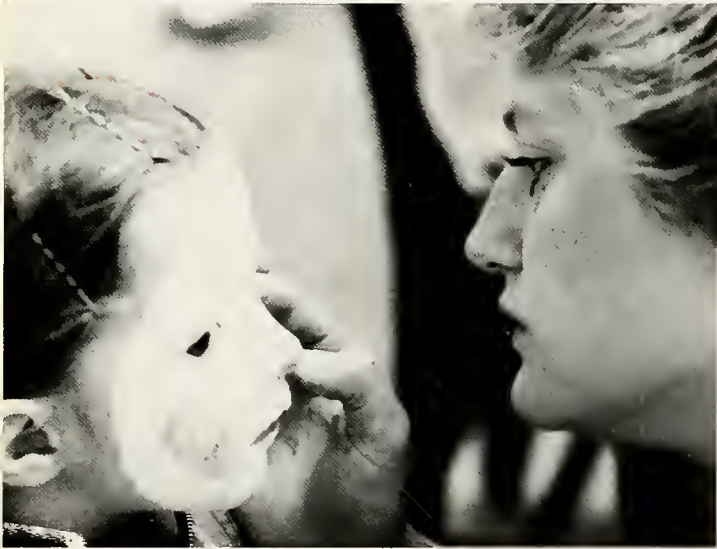

New Student Orientation Week

New Student Orientation Week 1978 provided freshman and transfer students a means by which to become familiar with Lawrence University on a number of different levels. The program was coordinated by Todd Mahr and the Office of Campus Life along with a wide assortment of people including students, faculty and administrators. Highlights include various picnics, dances, lectures, tests, and dorm parties.

MEN'S TRACK

The Lawrence University Men's Track team had a successful season. Once again, they made it to the Midwest Conference Meet, this time coming in fourth. Leading the way was Ron Wopat, who won the javelin and came in second in the shot-put. Giving strong support were Jim Miller, who won the six-mile and came in second in the three-mile, Rob Stevens first in long jump, and Bob Eddy second in high jump. Both Wopat and Miller participated in the NCAA Division III nationals and were named All-Americans, Wopat for the fourth consecutive year. Coach Davis anticipates another winning year with the return of Eddy and Miller.

MEN'S TENNIS

The 1978 Lawrence Men's Tennis team enjoyed a successful season compiling a 5-4 dual meet record with wins over MATC, UWGB, St. Norbert, U. of Chicago, Beloit, and finishing 7th in the Midwest Conference meet held at Chicago. The most impressive showing at the conference meet was that of senior Gary Robelen who reached the semi-finals at number 3 singles. The 1979 squad promises to be much improved with 5 of the 6 top players returning.

Season Record: 14-12

The Lawrence Baseball Team ended the year with a 14-12 record, which is not a true indication of their season. The Midwest Conference Champions again made it to the playoffs, but to everyone's disappointment, the team fell short of winning another Conference Championship, ending the season second in the conference standings. Highlights of the season included beating a Big Ten University, Indiana State, one of four games and also archrival Ripon three of four games, to make it to the playoffs. Individual honors go to Bill Simon who was named All-American 1st team catcher and All-District catcher. John Bill was also named to the All-District team as a pitcher. Making the All-Conference 1st team were John Bill, Bill Simon, Mike Ladevich, Jim Petran, and Paul Scaffidi. Coach Agness anticipates another winning season next year with the return of the team's most valuable player and captain John Bill, along with Bill Simon.

Back Row: Coach Kelderman, Mike Updike, Jeff Santaga, Brian Lipchik, Grant Hartup, Bob Weatherall, Ralph Weickel, Ross Quaintance, Peter Graf, Mathew Bedell, Tim O'Brien, Brian Schneider. **Front Row:** John Laing, Scott Corbett, Tony Brown, Chris Mitchell, Bob Alexander, John Boas, T.J. Bolger, Tod Gimbel, Louis Hamper, Jon Kellam, Bill Pearce, Merrick Wells. Not Pictured: Roger Healy, Jim Hawks.

SOCCER

1978 was a season of disappointment for the L.U. Soccer team. However, the outlook for the future is promising. Coach Harry Kelderman and co-captains John Laing and Grant Hartup led the team, composed mainly of freshman and sophomores, to a 6-4 record. With victories in the first five games, spirits were high. Then the bubble burst. L.U.S.T. was outplayed by Carleton. The next game was plagued with unfortunate injuries. Four defensemen went out within fifteen minutes against the U. of Chicago, weakening the team for the remainder of the season. With Grant Hartup '80 and Brian Lipchik '81 as co-captains, the prospects for a Midwest Conference title in 1979 are promising.

First Row-front to back: Kirsty Dobbs, Laura Hirsch, Meg Mann, Jessica Olson, Stephanie Howard. **Second Row-front to back:** Pietra Gardetto, Alison Warcup, Anne Smith, Jan Hesson, Coach Mary Poulson

WOMEN'S TENNIS

The tennis team had an exceptionally fine season this year, which culminated in an exciting one point victory over Ripon at the conference meet. Last year Lawrence shared this championship title with Ripon after tying with them at the conference meet. Coach Mary Poulson felt that the team's greatest strengths were its depth and versatility. Due to field trips and illness, the original six starters were not always available to participate in every meet. In these situations, doubles partners had to be shifted and split up, and individual players had to play one or two positions higher than they normally would have. In spite of these disadvantages, the team lost only two meets, both of which were outside the conference. They placed seventh in the Whitewater Invitational tournament and placed second in the ACM tournament. The six starters included three returning juniors, two sophomores, and one freshman. The team was well balanced with juniors Jan Hesson, Pietra Gardetto, and Stephanie Howard adding experience to the strength and enthusiasm of the other players. The two sophomores, Kirsty Dobbs and Anne Smith, both played well under pressure. Alison Warcup, the only freshman of the six proved herself to be a good competitor and a strength for future tennis seasons.

WOMEN'S TRACK

Back Row: Coach Graskey, Julia Hannan, Lisa Hollensteiner, Anne Hathaway, Sue Schneider, Mary Reed, Vickie Corbell, Sue Davies **Front Row:** Michele Maturen, Coralee Ferk, Ann Whereat, Sue Shepard, Cynthia Boeye, Sue McGarth, Anne Smith

The Women's Track Team, now in its third year at Lawrence, enjoyed a successful season. Although the overall record was only two wins and four losses, the team finally beat its conference arch-rival Ripon. The team finished off the season by winning the WIC-WAC championship title.

Over the course of the season, the senior distance runners Ann Hathaway and Sue Schneider paced the team. Senior sprinter and high jumper Mary Reed also lent much support. Lisa Hollensteiner, freshman sprinter, was elected Most Valuable Freshman. Sue Schneider took the Most Valuable Player award.

1978 saw the birth of the Lawrence University Women's Volleyball Team as a varsity sport. The Vikings competed for the first time in the Northern Division of the WIC-WAC. Their schedule included five matches, two meets, and the possibility of going to the WIC-WAC championship tournament. Letter Winners this year included:

VARSITY:

Vickie Corbeil-Captain
Debbie Jaryszak
Debbie Freese
Janet Salywedel
Sarah Flom
Kathy Boentje
Pam Skinner

JUNIOR VARSITY:

Linda Vasse Co-Captain
Diane Houriet Co-Captain
Julie Page

WOMEN'S VOLLEYBALL

Coach Fisher was very enthusiastic about the first season, as many of the girls had never played volleyball before. She anticipates another building season next year, but is hopeful due to the return of the entire varsity squad.

Back Row: Cathy Baker, Caroline Campbell, Sue Shepherd, Andrea Louthan, Ingrid Markman, Gail Martin, Amanda Hanson. **Front Row:** Sherrie Greenberger, co-captain Margy Bardgett, Ann Whereat, co-captain Jennifer Dunner, Lisa Woellner, Lisa Huberty, Susy Schultz, Coach Jane DeVries. Missing: Becky Farmer.

WOMEN'S SWIMMING

The 1978 Women's Swim Team had one of its best seasons ever. While the team's final record was only 3-4, they did beat Ripon twice and U-W Parkside once. The highlight of the season was the co-ed Ranger Relays where the L.U. men and women Vikings placed very well. The women's team consisted of two seniors, two juniors, six sophomores, and five freshmen. Co-captains Margy Bardgett and Jennifer Dunner led the team in spirited cheers and enthusiasm. Becky Farmer joined the team halfway through the season and proved to be the outstanding freshman of the year. The Viking Women look forward to an even better season next year, with all but the two seniors returning. The season will be moved to the winter next year, and with the addition of new freshmen and more upperclassmen, the L.U. Women's Team anticipates an excellent season.

GOLF

The Lawrence University Varsity Golf team had a challenging season under Coach Lyons. After a slow start, they came swinging back by winning their own First Annual Lawrence Invitational at Chaska Golf Course. Bob Frank led the team to victory as low medalist for the day, as he previously did against UW Fox Valley and UW Sheboygan. The team's lowest 4-man score was 315 from Chuck Wood, Phil Young, Terry Smith, and Bob Frank.

The team ended the season by challenging the faculty at Reid Municipal Golf Course. Other team participants were Joel Alnes, Joel Eckhardt, Don Fitzwater, Regina Swingen, and Tom Woznicki. The team won by one point and was treated to beer by the faculty, especially the two low medalists: Chuck Wood and Bob Frank.

Back Row: Coach Lyons, Bob Frank, Tom Woznicki, Joel Alnes, Don Fitzwater, Terry Smith. **Front Row:** Mark Castro, Regina Swingen, Chuck Wood, Joel Eckhardt, Phillip Young.

BACK ROW: Karl Kramer, Dave Knopp, Dave Wille, Jeff White, Rob Cohen, Jeff Wisser, Brian Fenhaus, Dave Klaeser, Captain Mike Fogel, Stu Hopfensperger, Chuck Wood. **FRONT ROW:** Coach Bob Kastner, Manager Lloyd Starks, Randy Bohon, Randy Behm, Paul Heiring, Assistant Coach Frank Triolo. **MISSING:** Jim Piotrowski, Keith Smedema, Ray Smith, Randy Daul, Tony Mindiola, Jack Ehren.

MEN'S BASKETBALL

Before packed bleachers in Alexander Gymnasium, the L.U. Basketball Team put it all together to demolish conference rival Ripon 67-57. This was the highlight of Head Coach Bob Kastner's young 1978-79 team. Senior Captain Mike Fogel and junior Rob Cohen led the team, and with their tough defense and good fast break turned out one of the conference's better teams. With three starters returning for next year, the team should be able to record an excellent season.

BACK ROW: Coach Mike Gallus, Kathy Boentje, Cindy Boeye, Sue Shepard, Asst. Coach Frances Kasten. **SECOND ROW:** Debbie Freeze, Vickie Corbeil, Angela Holloway. **THIRD ROW:** Deb Jarzysak, Janet Salzwedel, Mary Lou Webber. **FRONT ROW:** Laura Hirsch, Coralee Ferk, Sue Friend.

WOMEN'S BASKETBALL

The Women's Basketball Team finished off the season by taking Third place in the WIC-WAC tournament at Beloit. Vickie Corbeil was named to the all tournament team. Team captains were Vickie Corbeil and Coralee Ferk. The highlight of the season was the defeat of conference rival Marian. In its fourth year at Lawrence, women's basketball is still growing. Coach Gallus devotes alot of time to devising a wide selection of defences and deceptive offences, which have aided in their winning season.

CROSS COUNTRY

BACK ROW: A. Gunn, J. Hawley, D. Trimble, C. Butler, W. Alois, E. Nelson, D. Letomac, Coach Gene Davis. **FRONT ROW:** W. Klatow, E. Tordwig, Co-captains J. Miller and P. Hoover, J. Bieser, R. Betton.

The 1978 Cross Country Team, despite a fourth place conference finish, presented itself as a strong team made up of quality runners. Led by co-captains Jim Miller (All-American) and Peter Hoover (All-Conference), the runners won the first Viking Invitational and conquered "the hill" at Highcliff. With almost every runner returning next year, Coach Davis expects to have another successful team.

BACK ROW: P. Graf, B. Pearce, A. McNeill, G. Baird, S. Roeder, T. O'Brien, A. Wanger. **SECOND ROW:** P. Nelson, C. Mitchell, M. Fenn, S. Hagen, D. Lowe, P. Copeland, J. Lang, G. Usemann, G. Leslie, L. Domash. **FRONT ROW:** P. Schultz, K. Wittenburg, M. Allen, J. Munson, S. Blood, J. Skoog, M. Fallon.

HOCKEY

Led by a balanced scoring attack the L.U. Hockey Team had an excellent season. The starters on the team all showed their ability to score the big goals. Sophomore Larry Domash coached the team to two quick wins. Captain John Lang, Kurt Wittenburg and goalie Scott Blood were team standouts.

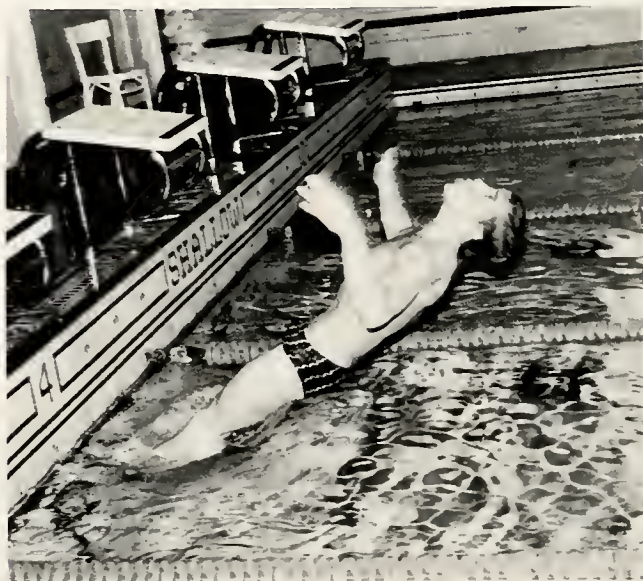

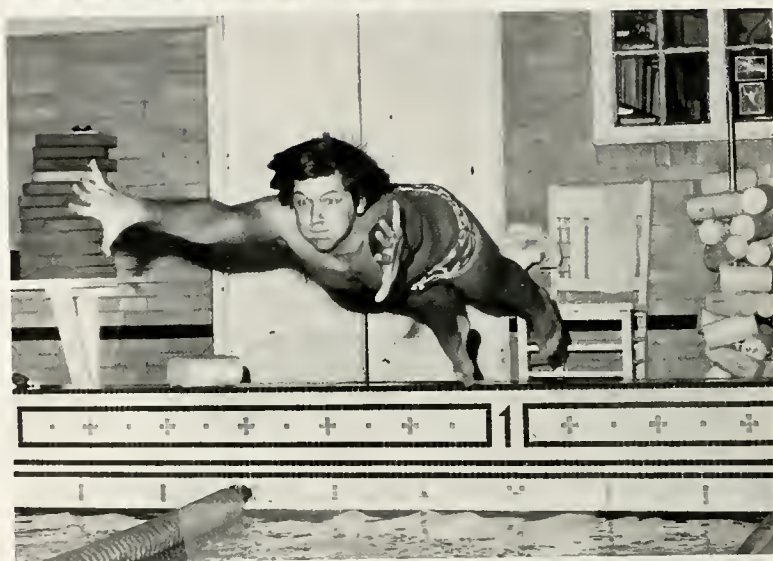

MEN'S SWIMMING

BACK ROW: Phil Polk, Tom Boya, Rick Maddox, Kipp Schrage, Linda Berger (diver), John Traylor.
FRONT ROW: Coach Gene Davis, Jim Acker, Mike O'Connel, Dave Burns, Jack Erkill, John Chambers, Assistant Coach Jim Davis.

Intrepid Captain Dave Burns led the L.U. Swim team to a 4-4 record to finish the season. Last year the team finished with a 5-3 dual meet record and a 4th place finish in the Midwest Conference meet. Gene Davis was assisted this year by his son, Jim, from Oshkosh. The team was very young, with only one senior, Dave Burns. Nevertheless, led by six returning lettermen, the L.U.S.T. swimmers are expected to compile an outstanding record next year.

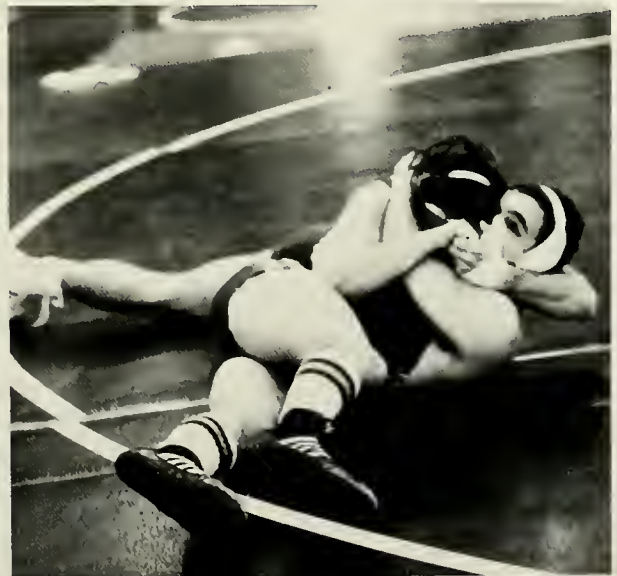

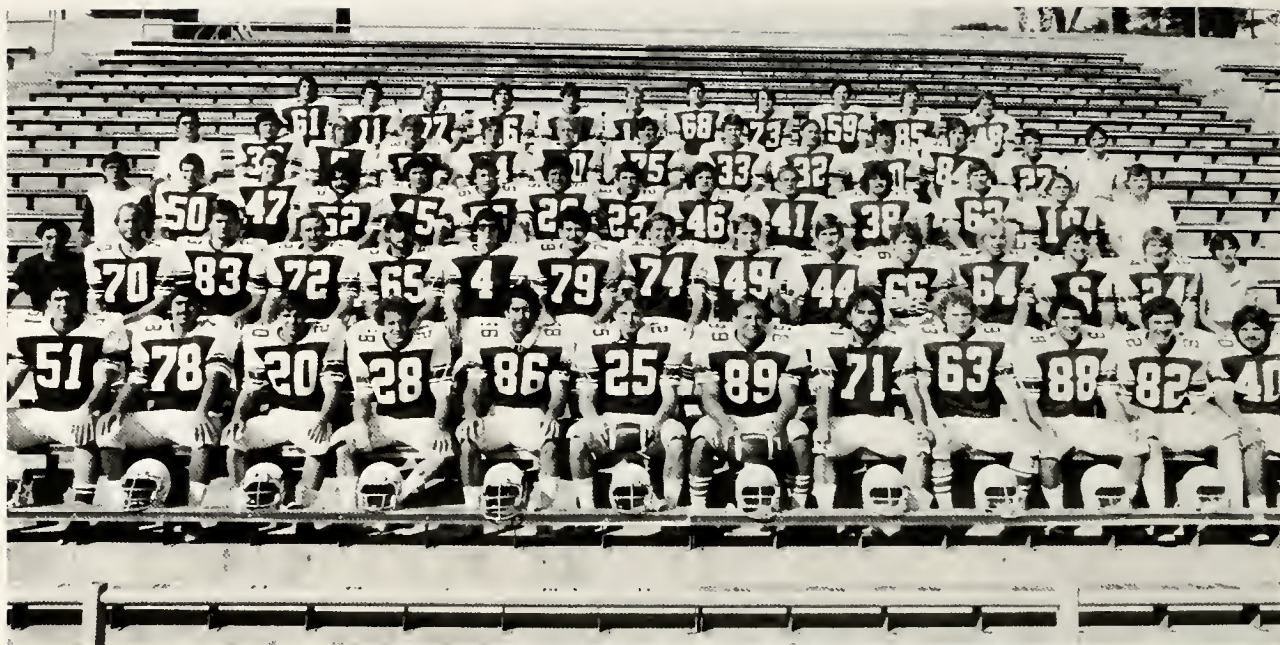

WRESTLING

BACK ROW: Coach Agness, G. Linnemanstons, J. Beals, D. Lawsons. **FRONT ROW:** T. Meyer, P. Schuster, D. Latorraca.

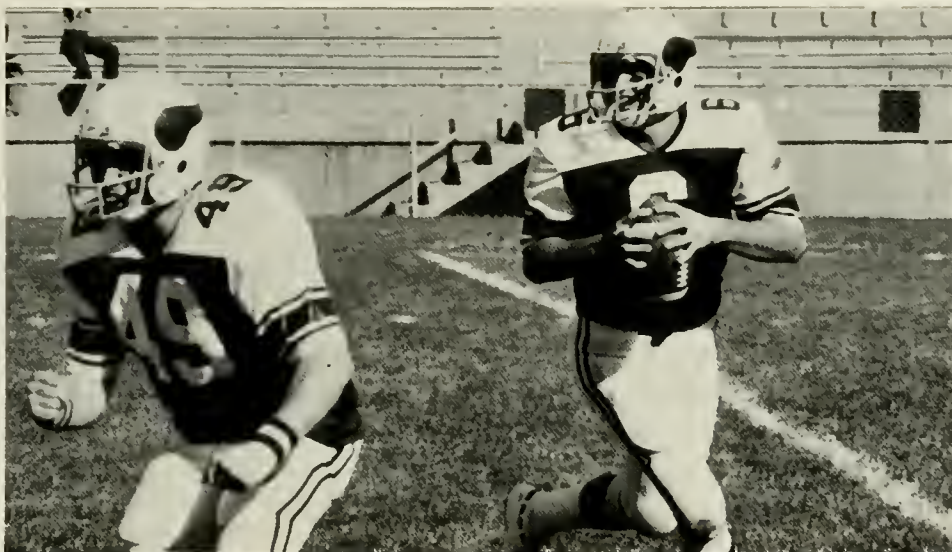

The Lawrence Wrestlers had a tough disappointing season in 1979. The wrestlers, under Coach Agness, finished seventh in the conference tournament. The lone high point of the season was a second place finish in the Lawrence Invitational. Senior Tom Meyer was the team captain.

Back Row: R. Reising, D. Walsh, K. Urbanski, P. Manning, K. Parker, D. Blowers, G. Van Berkel, D. Brinton, M. Allen, C. Keller, P. Schweikert. **Fourth Row:** Head coach R. Roberts, B. Spreeman, J. Ehren, G. Baird, J. Hindle, S. Levin, J. McBride, J. Ropella, J. Bissell, G. Satherlie, M. Fallon, G. Zlevor, Ass't coach B. Kastner. **Third Row:** Ass't coach R. Agness, T. White, B. Rose, J. Di Fulvio, D. Carlson, D. Powers, T. Perlstein, J. Pahr, B. Simon, M. Krolow, M. Mancosky, J. Wilke, S. Fox, Ass't coach M. Gallus. **Second Row:** Field manager L. Domash, K. Wohlers, B. Fero, M. Seifert, C. Vickrey, M. Gostisha, G. Linnemanstons, S. Roeper, B. Barkwill, K. Fritsche, B. Kelm, J. Lien, J. Petran, K. Henrichson, field trainer C. Ferk. **Front Row:** F. Bouressa, J. Utic, R. Stevens, J. Heimerman, K. Bollmeier, co-captains D. Ponschok and B. Eddy, C. Teasdale, B. Neuman, T. Roberts, P. Gebhardt, T. Sievert.

With the likes of Little All-Americans Paul Gebhardt and Frank Bouressa, the passing of nationally-ranked Jim Petran, and a starting team consisting entirely of returning juniors and seniors, the Vikes anticipated a year of promise.

Anchored by defensive co-captains Dave Ponschok and Bob Eddy, the team coasted to six straight victories. The ground game led by Tim Sievert, Bruce Barkwill, and Mike Gostisha provided the firepower for the team.

Jeff Heimerman and Brian Fero played significant pass catching roles as Gebhardt remained the "big play man" for quarterback Jim Petran.

Iowa proved a "damn unlucky place to play" as L.U. lost two straight games to Cornell and Coe on consecutive weekends. With nothing but pride on the line, Lawrence utterly out-classed arch-rival and conference champions Ripon College 35-15 in the finale to conclude a bitter-sweet campaign at 7-2.

SENIORS

PRESIDENT SMITH RESIGNS

Thursday afternoon, in an emergency faculty meeting, President Thomas S. Smith announced his resignation, effective 31 August 1979. Smith wishes to embark upon a new career before he retires. His plans, however, are as yet indefinite. He has consented to serve Lawrence as an Administrative Advisor for the '79-80 academic year.

In Smith's view it would not be in Lawrence's best interests for him to remain here until retirement. In his words, "changing conditions of the world, of the college and of the president call for his stepping aside for new leadership."

With retrenchment of faculty, staff, and administration, the renewal of curriculum requirements, and finally, the establishment of new interdisciplinary programs, the institution, he believes, will benefit from the change. Except for Brokaw Hall and Alexander Gym, the physical plant will be in excellent condition with Main Hall renovation and by spring term the ten year accreditation will be completed. He expressed his confidence in the strength of both faculty and students.

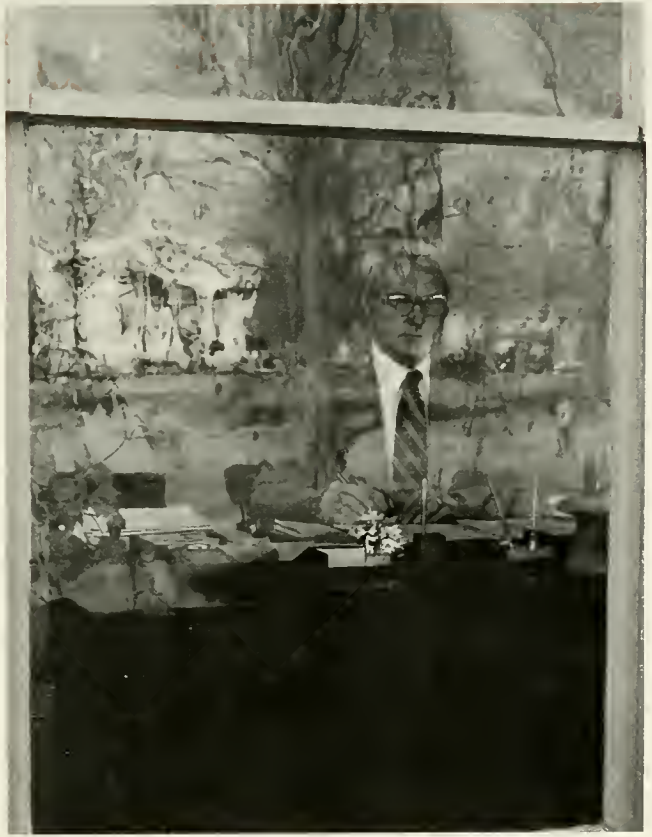

He went on to point out that the Admissions Office is functioning well and the development office has shown marked increases in gift receipts. He concluded, "I can leave feeling comfortable about Lawrence's future."

Since his arrival in 1969 Smith has seen much turbulence and change at Lawrence. In social legislation changes have ranged from the allowance of alcohol consumption in the dorms to student discretion in determining visitation hours. Under his presidency students were for the first time allowed to sit in on committees previously restricted to faculty.

His primary concern has always been balancing Lawrence's annual operating budget with its income sources. John Reeves of the Board of Trustees stated that Smith "... has brought Lawrence through a period which has been difficult for all educational institutions." Reeves went on to praise Smith for his more recent accomplishments in the area of administrative reorganization. Reeves expressed his sincere regret over the resignation.

Above article reprinted from **The Lawrentian**, Vol. XCVII-No. 12, Friday, January 19, 1979.

We, the 1979 **Ariel** Staff, proudly dedicate this, the 91st Volume of the Lawrence University **Ariel**, to President Thomas S. Smith, in gratitude for his devotion and dedication to Lawrence University.

There are many different aspects involved in producing a yearbook and many different people have helped in different ways making it all possible.

I wish to acknowledge and thank the Lawrence University Public Relations Office, especially Frank Duchow, for their patience and support.

Also, a word of appreciation to the following for their understanding and information: The Appleton Post Crescent; The Office of Campus Life; The Registrar's Office; The Development Office; The President's Office and especially The Business Office.

Finally, I have a special thank you for Roeliff Loveland, Bill Aki, and Karen Zoerb for their unending assistance and moral support; George Kurylak for his constant loyalty; Jean Rehberg for her dedication; Tom, Trish and Andy Lonnquist for providing an escape from it all; Kent Rose for his sanity; and all those who kindly chose not to condemn when they were within their rights.

Editor's Note

Another year, another ARIEL. Another this one is the best ever. There are so many people who have worked hard to create a publication you would appreciate, think about, be proud of. Only time will judge our success.

As yearbook editor for two years I've been involved in a little bit of everything in order to get a good "picture" of Lawrence University. I believe I've earned the right to express my view.

It's been a long year, a longer summer and a very long yearbook. I have become exhausted with underoperative, uncommitted, unfeeling, uncoordinated, unthinking, and most of all tired students, faculty and administrators. However, let me affirm (lest I have impressed you otherwise, that I am extremely happy with my years at Lawrence. I respect our faculty and administrators. I appreciate the students, and I'm proud of this yearbook. It just feels strange to finally complete

work on something which had become so much a part of my life for two years.

A university changes from day to day, student to student. Each person has his own ideals, own beliefs, and these affect the university situation. For a yearbook to discover these individual ideals and then represent them with pictures and copy is impossible.

What can be done is to record events, and the people who create them. A broad spectrum can be established as far as activities are concerned, reaching from sports to the fine arts. And this is what this 1979 ARIEL has attempted to do.

Congratulations, graduating seniors. May the light of love and happiness shine on you always.

May you enjoy this book for many years.
